

TEMPLAR FUND

Dear Prospective Client,

It is with great warmth and humility that we welcome you to the Templar Fund. Our fund is considered to be among the top performing Bitcoin hedge funds on earth. Since our launch we have enjoyed reliable and compounded profits, in both bull and bear markets. Our automated trading desk has never experienced an outage or made a trade error. Our client support team continues to impress by offering excellent standards of care, attention and efficiency. But most importantly, we have never experienced capital loss in any trade period.

To join our operation as a client, please complete the brief application below and send to: support@templar.fund We will review all applications within 48 hours and shall open your account in this timeframe. We will then immediately e-mail you a welcome package that contains your account information, a client guidebook, trade cycle schedule and a secure transaction password.

If there is anything that we can do to make your Templar Fund experience more desirable, contact our 24/7 live support team on our website or email us: support@templar.fund Thank you for your interest and confidence. We look forward to serving you soon!
